

August 8, 2017

Dear Parents,

It is hard to believe that summer is already winding down. The staff is energized and looking forward to the year ahead. We would like to take this opportunity to invite you and your child to Stepping Stones' Open House on Tuesday, September 12th.

The schedule for the first week of school, including Transition Classes, Open House times and class times are shown in the chart below. Transition Classes are a great idea for new student and a time for you and your child to get to know the school and teachers a little better. Please feel free to call with any questions.

We have scheduled an Orientation for **ALL NEW** parents on Monday, September 11th at 7pm.

All parents should note that **class orientations** are scheduled Wednesday and Thursday, while your children are in their first day of class. A representative from each family needs to plan to stay and meet with Karen and other parents upstairs where we will discuss the specifics of the school year. Afterwards we will meet the children at the end of the morning on the playground. Coffee, tea and refreshments will be served. Please arrange childcare for younger siblings if at all possible as it is important to be able to fully participate and attend to the information during this time.

Remember to bring your child's completed health form and developmental profile when you come to open house. These are available on our website. Emergency cards will be given out at Open House. The state requires that all these forms be completed and on file prior to attendance.

We are looking forward to seeing you all again in September, but in the meantime, enjoy what's left of summer.

Sincerely,
Karen, Kristen, Carmen & Nancy
